April showers bring May flowers!

Corvias Military Living will be giving away small containers of flowers in May for residents who wish to plant them at their home. Contact your Neighborhood Office for more information.

Corvias™ | military living

NEW NAME, BUT STILL THE SAME!

We are excited to announce that Picerne Military Housing will now be called Corvias Military Living. You may recall that our parent company Corvias Group, a privately-owned, vertically-integrated real estate solutions group, was created last year to support a new student housing division, in addition to military housing. Changing our name helps unify both our military and student housing divisions under our parent company, Corvias Group. As we work to re-brand ourselves over time, you will start to notice physical changes such as the look of our website and signs in your neighborhoods. Our name may be different, but our commitment to improving the quality of life for you and your family will always remain the number one priority of Corvias Military Living. Nothing is changing but our name.

Healthy Changes

Did you know that compared to forty years ago, Americans now eat 31 percent more calories? We believe healthy habits can begin almost anywhere. Starting in April, your community staff will offer a healthier packaged alternative instead of cookies for residents. Corvias Military Living wants to promote a healthier lifestyle by switching to a low-calorie snack. By eliminating high-calorie treats in the community office, Corvias Military Living hopes to foster an environment that supports wholesome choices and contributes to our residents' healthy lifestyle.

Service Schedules

Picrne Military Housing offers a variety of services to make your life easier. Don't forget to check out www.meadepicerne.com/residents/calendar for your trash, recycling, lawn care and pest control schedules.

If you use cold water to wash your clothes, you will have enough energy to recharge your laptop 17 times.

Keep Meade Beautiful

Please reference the guidelines below to keep your home looking great this spring.

Your Yard:

- Poop & Scoop is required at Fort Meade.
- Outdoor toys to include basketball goals must be stored in the rear of the home.
- Trampolines must be stored in the rear of the home, and must incorporate appropriate safety nets at all times.
- Trash cans and/or recycling bins must be pulled from the curb by 6p.m. on your designated trash day. Remember to rinse out trash cans.

- Please pick up cigarette butts. They are not biodegradable.

Your Front Porch/Patio/Deck:

- Only furniture approved for outdoor use is approved at Fort Meade.
- Grills should not be stored or used on your front porch. They must be stored in the rear of the home.
- Open fires, fire pits and chimineas are prohibited at Fort Meade.

Lawn Care Reminder

Spring has sprung and the grass is growing! That means our lawn care providers will be starting their mowing schedules. To find out the lawn care schedule for your street, please check your neighborhood calendar at www.meadepicerne.com. The lawn care provided is a basic cut and trim to keep the neighborhoods looking well-kept and make the lives of our residents a little easier.

We request that you please complete the following tasks to make certain that your yard is ready to receive the lawn mowing service.

- Pets – secure your pets in your home or in a kennel. Remove all chains and/or ground anchors from the premises.
- Pet waste – please remove all pet waste prior to the morning of the scheduled mowing service on your street.
- Children's toys – please remove all toys on the lawn prior to the morning of the scheduled mowing service on your street.
- Hoses – wrap up and remove any hoses from your yard.
- Lawn furniture or decorations – store all non-fixed furniture and décor prior to the morning of the scheduled mowing service on your street.
- Decorative solar lights – please remove if possible. Most solar lights are very fragile and can be easily damaged by weed eaters. If your solar lights are easily removable from their bases, please do so prior to the morning of the scheduled mowing service on your street. The lawn care technician may not trim around these items if they feel that to do so may damage them.
- Gates – please open gates prior to the start of the scheduled mowing service on your street.

We ask for your assistance by opening and closing your gates for the lawn mowers.

2013 Lawn Care Schedule

Lawn care is schedule for your neighborhood as follows: Monday - Midway
Tuesday - Meuse Forest
Wednesday - Patriot & Potomac
Thursday - Potomac, Heritage and Normandy.

Visit www.meadepicerne.com/calendar for a detailed mow and garbage pick-up schedule. Please remember that bulk trash is picked up on Monday and Friday.

A SALUTE TO OUR MILITARY CHILDREN

April is celebrated as Month the Military Child and is observed annually throughout the military to acknowledge and honor the service of our youngest heroes, our military children. This year's theme is "Everyday Heroes."

There are approximately 1.9 million military children with a parent serving in one of the branches of the Armed Forces. More than 700,000 children have experienced a deployment since 2001, with many children experiencing multiple deployments. Military children are resilient and proud of their parents' service. April is our opportunity to thank them for their dedication and service. Established by former Defense Secretary Caspar Weinberger, the Month of the Military Child recognizes the important role military children play in our communities.

Corvias Military Living would like to salute our Military Children and show our appreciation for all that they do. We ask that children stop by their Community Center or Office with their parents on Thursday, April 25 to pick out a small token of our gratitude from Corvias Military Living. For more information on activities going on in your community, check with your local Child, Youth, and School Services and/or Family Advocacy Program to discover the events and programs designed by the Garrison and community teams to recognize the daily sacrifices that Families and their children make in supporting America's Armed Forces. Parents can also log on to www.operationmilitarykids.org with their children for great educational and recreational information for school age children.
